# SIDE-BY-SIDES

## Digital LED Display

Located on the outside of the freezer door, allows for convenient changing of refrigerator and freezer temperatures, ice & water dispensing, child lock, Express Freezing and water filter status.

## Tall Bottle Dispenser

Can fit a glass or pitcher for conveniently dispensing ice and water.

## 7 Sensor Electronic Temperature Controls

Senses heat from warm food and open doors, and automatically adjusts the interior temperature to within 1.5 degrees of the set temperature.

## Icebeam Cooling

Represents our very best door cooling option with additional ducts and broader air distribution for even temperature management in the fresh food section.
